

STARS & STRIPES WINE COZY – ERRATA June 16, 2014

The stitch count for the body of the cozy need to be modified at the base, rather than at the beginning of the top ribbing to accommodate the correct placement of the 'stars'. Once you knit 2 together twice in round 12 of the base, you will be working with 52 stitches for the remainder of the cozy.

OLD Instructions:

Base: Round 12: Knit

REVISED Instructions:

Base: Round 12: (k1, k2tog, k24) 2 times (reduces stitch count to 52 because the star section and ribbing at top needs a multiple of 4).

OLD Instructions for starting the ribbing:

Work 8 rounds of k2, p2 ribbing

Round 1: *Knit front and back of 1 stitch, k26* 2 times. This increases the stitch count to 56 because ribbing is an 8 stitch repeat.

Rounds 2-8: k2, p2

REVISED Instructions for starting the ribbing:

Work 8 rounds of k2, p2 ribbing
